oh no, how did i not see this email? My bad V, i was a little curious when id see yours.

Yeah it looks good man! your whole github looks way better than mine, imho.

Awesome. Yeah, good job on your binder. Also, I want to send you mine so you can review it for me whenever you are free. Thank you!

Hey Bee, I already took a look at your work. It looks good and organized to me. Do I have to do anything extra to prove that I reviewed it?
